Participant's Full Name: \_\_\_\_\_

**Welcome Lessons in a Permanent Lesson Spot:**

Welcome Lessons are for riders of any age, children to adults, who have little to no experience working independently with horses. These lessons are to teach students the absolute basics of riding and horsemanship. Lessons are one hour in length and include catching/leading horses, grooming, tacking up, and some riding.

These lessons are meant to be a short-term stepping-stone to help students build a solid foundation in horsemanship and prepare them for our 'Regular Rider' lessons. As such, these lessons are not eligible for the Monthly Paid-In-Full lesson package option.

\_\_\_\_\_ **Welcome Lesson Monthly Package (Pay-As-You-Go Plan): \$65.00**
